SAMPLE BALLOT

To vote for a named candidate, or for or against a ballot measure, completely fill in the oval to the right of your choice. Use blue or black ink.

If a race includes a write-in line, you may vote for a write-in candidate by completely filling in the oval to the right of the line and printing at least the last name of an eligible write-in candidate on the line.

To make a correction, draw a bold line through the oval and candidate name or ballot measure selection marked by mistake, then fill in the oval next to the correct name. If you voted for the only candidate in a race and want to withdraw that vote, you must request a replacement ballot.

**WARNING:** Any person who, by use of force or other means, unduly influences an eligible elector to vote in any particular manner or to refrain from voting, or who falsely makes, alters, forges, or counterfeits any mail ballot before or after it has been cast, or who destroys, defaces, mutilates, or tampers with a ballot is subject, upon conviction, to imprisonment, or to a fine, or both.
